

You are invited to
a reception honoring
Deborah Kampmeier's
controversial new film
HOUNDDOG
starring Dakota Fanning

When: Sun, Sept 21 ~ 5 PM

**Where: O'Briens Restaurant (Party Room)
1528 North Wells; Chicago, IL; 60610**

**Reception immediately follows the 3:10 screening of
HOUNDDOG at the AMC Pipers Alley Theatre
(1608 N Wells—corner of Wells & North Avenue)**

**HOUNDDOG opens in Chicago on Fri 9/19.
Playing exclusively at the AMC Pipers Alley!**

Why YOU Should Care:

This is the film that Sean Hannity, Concerned Women of American, & other rightwing ideologues don't want you to see—even though most of them have never seen it! Because of them, writer/director Deborah Kampmeier had to have FBI security when HOUNDDOG first screened at Sundance '07, & she's still receiving hate mail!

***** See HOUNDDOG first & then decide for yourself... *****
